

FOR YOUTH DEVELOPMENT®  
FOR HEALTHY LIVING  
FOR SOCIAL RESPONSIBILITY

# DID YOU KNOW?

At the Y, strengthening community is our cause. The Y serves three crucial areas of focus to help individuals, families and communities learn, grow and thrive.

**THE Y IS FOR YOUTH DEVELOPMENT**, because we believe that all kids deserve opportunities to discover who they are and what they can achieve. That's why through the Y, youth today are cultivating the values, skills and relationships that lead to positive behaviors, better health and educational achievement.

**THE Y IS FOR HEALTHY LIVING**, improving the nation's health and well-being. The Y brings families closer together, encourages good health and fosters connections through fitness, sports, fun and shared interests.

**THE Y IS FOR SOCIAL RESPONSIBILITY**, giving back and providing support to our neighbors. The Y has been listening and responding to our communities' most critical needs for 160 years. Whether developing skills or emotional well-being, welcoming and connecting diverse populations or advocating for healthier communities, the Y fosters the care and respect all people need and deserve.

The YMCA serves the entire community and is open to everyone. Donors enable the YMCA, a charitable, non-profit organization in compliance with IRS code 501(c)3, to offer a financial assistance program for those individuals and families that qualify.
