

TESTIMONIAL

"As a person with Parkinson's Disease, movement is medicine. Debbie Fuller is my Personal Trainer and uses her expertise to personalize my sessions. I also participate in the Rock Steady Boxing program for Parkinson's which gives me a chance to exercise and socialize, where Debbie is also the certified coach leading the group. I highly recommend working with her."

ABOUT THE POST-REHAB EXERCISE PROGRAM

This program is the development and implementation of fitness programming intended for clients that have been released from physical therapy, as advised by physician or physical therapist, clients who suffer from chronic diseases and physical limitations. Please know that our Certified Personal Trainer will not diagnose or provide any aspect of medical treatment of a client's condition.

There will be communication as needed between physical therapist and/or physician on recommendations, limitations, restrictions, precautions, short and long-term goals.

NATIONALLY CERTIFIED MASTER-LEVEL PERSONAL TRAINER – CERTIFIED EXERCISE THERAPY SPECIALIST

Debbie Fuller
