

PROTEIN PEANUT BUTTER CUP

INGREDIENTS:

- 5 oz Oikos Vanilla Greek Yogurt
- 1 scoop Vanilla protein powder
- 1/3 cup powered peanut butter
- 2 tbsp chocolate chips

DIRECTIONS:

- In a large bowl, add all ingredients besides chocolate chips and combine until smooth (mix very slowly to prevent materials from escaping bowl).
- In a separate bowl, add chocolate chips and microwave for about 40 seconds or until they are able to be stirred to create a liquid texture.
- Pour the melted chocolate chips over the mixture from the first bowl. Set these combined ingredients in a freezer for 30 minutes.
- Enjoy!
